

Special Topics Team Presentation
Chapter 3: Reviewing the Literature
Saturday, October 03, 2020
Stephanie Bermudez, Gerard Cortez, Dena Sempe

Topics:

1. How and in what context is a review of the literature used?
2. Outline and thoroughly describe the six-step process for conducting a literature review.
3. Evaluate the importance of step 5, synthesize the literature.
4. Finally, describe the number of writing strategies or forms of literature reviews.
